for advertising "Wants" means profit-

one insertion, but most need three or  
seven insertions. It's well to be on the  
safe side and not results, and not lose

## A Demand---A Decision---A Disposal.

The reign of Antique Oak is over. Its well earned popularity has, for a time at least,  
departed.

Flemish, English and Golden Oak have supplanted it in the affections of the majority.  
As a consequence of this change, we have determined to sacrifice our entire stock of  
antique oak furnishings. In every department—without a single exception—we offer this choice  
and desirable stock at 40 per cent discount off our list price, for spot cash.

If you want standard workmanship, and excellence joined with economy, you'll find them  
here. These goods lack the essential "up-to-dateness" which our assortment requires.  
A caprice of Dame Fashion—and in your favor. All must be disposed of within one week.  
Plain prices—extraordinary values—exceptional opportunities. **40 PER CENT OFF.**
